

1955 INTRODUCTIONS

Heimerocallis Tried and True

Feb. 16,

WILD AZALEA (Pumphrey)

Mellowglow, sepals green tipped, throat delicate chartreuse, eyezone veiled old rose extending nearly to tip of curling petals of extra length. Very long stamens resembling the wild azalea bloom. 6 to 8 inch flower. Slow to multiply. 36". ~~M- EV.~~ \$18.00

BIG SHOT (Pumphrey)

Pure gold self. 8 inch flower on 40" stem. Its length of blooming period, vigor of plant and general good growing habits make it a must in every garden ~~Ev. Early, Re.~~ \$10.00

BETTY WEBER (Pumphrey)

Rich deep rose, touch of French green in throat. Good branching quality with profuse blooms. 5 to 6 inch flowers, triangular form, height 42". Ev. Proliferates freely \$8.00

BONITA (Pumphrey)

Mass color Brazil Red with apricot throat that fringes out softly into the sepals and petals. Ruffled. The lower petal extends downward and gives a triangular form. Tall and fine for background planting. 5 inch flower. Ev. ~~36" Early, Repeats~~ \$5.00

CHICKASAW (Pumphrey)

A rich shade of Oporto and holds its color all day. Throat marking begins in tone of Citron green, blending into chrome that fringes softly into the velvet red and ruffled petals. A faint midrib in petals only. Ev. 5 inch flower. Tall ~~Early~~ \$5.00

CLAIBORNE (Pierce)

Very fine and showy bicolor, ruffled and fragrant. Petals a light brown, overcast purple, sepals are orange and circled with dark purple line. Throat green shading into apricot midrib on petals only. 5½ inch flower. 42" scape. Ev. \$5.00

ATOMIC FLAME (Pierce)

Mass color of glowing Burnt Orange with throat of Opal green and a thin brushing of Rainbow Violet making a faint halo. Large star-like flowers of heavy substance and velvety texture. Sun and rain resistant. Vigorous growth, wonderful branching. Proliferates freely. Fragrant. 49" \$20.00

CAJUN GAL (Pierce)

A rich bicolor of Mahogany Red petals and Spanish yellow sepals. Very large full flower of heavy substance. Sun resistant. Truly an eye catcher for visitors and judges in the garden \$10.00

KAREN MICHELLE (Pierce)

Very light Empire yellow self with Shadow green throat. Full and triangular in form. Fluted, diamond dusted and sun resistant. A large 6 inch flower. Fragrant. Excellent branching \$15.00

DOUBLE ROSE (Pierce)

Mass color of deep Laurel Pink with Chartreuse throat and rose eyezone. The double 5 inch flowers are strikingly beautiful and quite upstanding in the clone. A third repeat of bloom is not unusual. 26" \$8.00

Hundreds of seedlings, good, bad and indifferent:

The good we keep

The bad we return to dust

The indifferent we put on trial one more year.

Hundreds of named varieties Heimerocallis old and new.

About July 15, 1955 seed ready from newest PINKS.

Controlled Crosses. Labeled — 8 seed \$1.00

ORCHID PLANTS \$5 to \$50 ORCHID BULBS \$1 to \$2.50
